A few words from our seniors!

“Laurel Springs School has been a wonderful experience for me. Because of it, I was able to learn and grow in a safe, loving environment, which is not something I had at normal school. It also allowed me to learn at my own pace and become self-motivated.”

Ash Paulson- 2003 senior

“I love to work at my own pace and am able to attend ballet school. I have had wonderful, supportive teachers and have had great relationships with them.”

Natalie Fladager- 2003 senior

“Laurel Springs helped me in getting better grades and made me an independent thinker.”
